EDUCATION

Cégep Gérald-Godin, Montreal, QC

Expected graduation date:
May 2026

DEC Technique de l'Informatique

PROFESSIONAL EXPERIENCE

IGA Extra Déziel, Île-Perrot, QC

Sept. 2021 – Current Date

Multi-Department Clerk

- Assisted customers by addressing their inquiries and providing excellent service while also training new colleagues.
- Demonstrated reliability and consistency, earning the trust of my supervisors to contribute across four departments simultaneously.
- Enhanced communication skills and learned how to collaborate effectively within a team.
- Strengthened my ability to perform under pressure.

ClearView, Montreal, QC

Jun. 2024 – Current Date

Co-Owner / Social-Media Manager

- Co-founded an emerging window and gutter cleaning company alongside a partner.
- Performed cleaning services, managed marketing efforts, engaged with clients, and captured media content for advertising.
- Gained a deeper understanding of business management and planning.
- Enhanced communication skills, fostered independence, and learned the importance of meeting expectations.

PROJECTS & EXTRACURRICULAR

Project Mediatheque (Java, JavaFX, Eclipse IDE)

Nov. 2024 – Dec. 2024

- Designed and developed a media library management system with JavaFX, allowing users to efficiently organize and access multimedia files.
- Integrated search, filter, and sorting functionalities to improve user experience and navigation.
- Utilized Java serialization for data persistence, enabling lightweight and efficient storage without the need for external databases.

Homework and Project organizer (Python, ElectronJS)

Feb. 2025 – Current Date

- Currently in progress (early-stage planning and organization)
- Developing an application to organize and visualize classes, school documents, and projects in one convenient, user-friendly platform.
